First newsletter came out and we all had good opinion about it

### **Good of the order**

Patric asked about if predation was brought up at PFMC. Doug was unable to attend every meeting at PFMC because they had multiple meetings going on at the same time. Doug said he would check on it with someone.

Greg asked how many members breakdown to paid vs. non paid Answer is (59) paid, (about 40) unpaid

Greg also commented about PFMC he would prefer longer set seasons and close early vs set early seasons and extend, reasoning behind is we would rather book and reschedule vs cold calling customers to book for extensions.
